

Data Dictionary for Dataset: Student Attendance

Column	Column Name/Field Name	Description
A	SchoolYear	School year for which record is applicable. For example, 2016 = school year which ended in June 2016.
B	DistrictCode	District number. A district number of "0" means "Statewide"
C	District	The full name of the education agency. When the DistrictCode value equals 0, this represents the State of Delaware. When the DistrictCode value is greater than 0, this represents the education agency (i.e. school district, or charter school) name.
D	SchoolCode	School number. A school number of 0 means "Districtwide" when the district number is greater than 0.
E	Organization	The full name of the organization. When the SchoolCode value equals 0, this represents the district name. When the SchoolCode value is greater than 0, this represents the school name.
F	Race	Represents the race/ethnicity of the unique group of students within a school/district.
G	Gender	Represents the gender of the unique group of students within a school/district.
H	Grade	Represents the grade level of the unique group of students within a school/district.
I	SpecialDemo	Represents the special population status of the unique group of students within a school/district.

J	Geography	Represents the geography of the unique group of students within a school/district.
K	Subgroup	Names the unique group of students within a school/district described by the combination of Race, Gender, Grade, SpecialDemo, and Geography.
L	RowStatus	Indicates whether the aggregate data in this row has either been REDACTED or REPORTED. If redacted, certain data has been hidden to comply with state and federal privacy laws. For more information, contact the Delaware Department of Education.
M	StudentsChronicallyAbsent	The number of students in the subgroup who were ChronicallyAbsent. A student is considered to be chronically absent if they are absent at least 10% of their enrolled school days within a year.
N	Students	The number of students who in the subgroup
O	PctStudentsChronicallyAbsent	The percent of chronically absent students. This is the number of chronically absent students divided by the number of students.
P	AvgDaysEnrolled	The average number of days students in the specified group were enrolled in the specified organization.
Q	AvgDaysAbsent	The average number of days students in the specified group were absent in the specified organization.
